1. DISTRIBUTION DETAILS

We are pleased to inform you that APTT will distribute 1.625 Singapore cents per Unit for the period from 1 July 2017 to 30 September 2017 (the “**Distribution**”).

2. DISTRIBUTION POLICY

As announced on 12 August 2014, the Board approved a change to the Distribution Policy to move from semi-annual distributions to quarterly distributions (the “**Revised Distribution Policy**”). Pursuant to the Revised Distribution Policy, APTT will make distributions to Unitholders on a quarterly basis, with the amount calculated as at 31 March, 30 June, 30 September and 31 December each year for the three-month period ending on each of the said dates.

Distributions will be declared and paid in Singapore dollars. Any proposed distributions by APTT will be paid from its residual cash flows (“**Distributable Free Cash Flows**”). These cash flows consist of cash flows from dividends and principal and interest payments (net of applicable taxes and expenses) received by APTT from the entities held within the Group. In addition, any other cash received by APTT from the entities held within the Group also contribute towards Distributable Free Cash Flows, after such cash flows have been applied to:

- pay the operating expenses of APTT, including the Trustee-Manager’s fees;
- repay principal amounts (including any premium or fee) under any debt or financing arrangement of APTT;
- pay interest or any other financing expense on any debt or financing arrangement of APTT;
- provide for the cash flow needs of APTT or to ensure that APTT has sufficient funds and/or financing resources to meet the short-term liquidity needs of APTT; and
- provide for the cash needs of APTT for capital expenditure purposes.

APTT intends to distribute 100% of its Distributable Free Cash Flows. The Distribution payment amounts to S\$23.3 million from Distributable Free Cash Flows attributable to the three-month period from 1 July 2017 to 30 September 2017.

The foregoing are statements of the present intentions of the Trustee-Manager in relation to APTT and may be subject to modification (including the reduction or cancellation of any proposed distribution) in the sole and absolute discretion of the Trustee-Manager. The form, frequency and amount of future distributions (if any) on APTT’s Units will depend on the earnings, financial position and results of operations of APTT, as well as contractual restrictions, provisions of applicable law and other factors that the Trustee-Manager may deem relevant.
